

TO PROTECT OUR FREEDOM

Published and distributed under the authority and direction of the Director-General of Aircraft Production.

Donated to Canada's War Effort by British Aeroplane Engines Limited, Montreal.

Poster – Daddy Helps Build Them

During the Second World War, Canadian producers built thousands of aircrafts for the Allies. This poster reflects the importance of the aircraft industry to Canada and to the war effort.

It also served another purpose – to remind Canadians that workers on the home front were as vital to victory as those who served in the military.
